You can choose a different primary care physician for each member of your family, or one to care for your entire family. If you elect to have one doctor for your entire family, you must select a family or general practice physician. You cannot choose a specialist as a primary care physician. You also need to fill out this form if you are already enrolled in BCN and have decided to change your primary care physician.

All changes become effective two business days after we receive this form — unless you request a later effective date.

You cannot select an earlier date when you change your primary care physician. If you change your primary care physician while you are being treated by a specialist, your new primary care physician must reauthorize the treatment you are receiving. Your treatment may not be covered until that occurs.

You may request to change your primary care physician effective immediately by calling the Physician Selection Line at 1-800-662-6667.
